Did you know Palm Bay Colony has it's own Facebook Page? You must have a Facebook account and are a HOA homeowner. Answer the questions and you'll be given access.

If you would like to have access to the Facebook **Palm Bay Colony Homeowners Association** page - Please scan the QR Code

Some people from the HOA will be walking around the park looking at broken sidewalks & taking pictures.....please don't panic, they are doing this for the good of the community. And the office knows so don't call us! Thxs

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

One of the most popular events here at PBC over the years has been our LAS VEGAS NIGHT. I am pleased to say we will be having another one sometime in January 2027. Yes, I know that is a long time away. But, it will be here before you know it and we have to plan ahead. These events require many people getting involved to make it a success. This includes people to solicit donations from local merchants, persons to run the different games, sell tickets, make bumpers for crap game, take in and count money, setup games, buy and mark bags for prizes, decorating, waitresses, entertainers and many other little jobs that come up. It is well worth all the effort put into this event because it is a great money maker for our HOA as well providing great fun for all of us. Having said all this, don't be surprised if I approach you and ask you to take part in making this happen. AND please say "yes". You won't regret it, I promise.

FIRST RESPONDERS DAY @ PALM BAY COLONY
 Wednesday, June 24th 9am

The Palm Bay Police Department Community Service Squad will visit PBC from 9:00am to 11am to discuss fraud and other issues of interest to Seniors.
 Refreshments will be served.

OK GUYS, lets go over the Rules of the Pool one more time!!

These rules are not in place to spoil your fun....they are there so we all can be safe.....and isn't safe what we want to be?!? And polite....let's not forget to be polite to our fellow swimmers. If someone is obviously doing laps, please try to stay out of their way and give them room to swim....not always possible I know, but let's try anyway....okay?

Dear Residents...I understand the month goes by fast, and some activities sneak up on us. But you may be missing something that's fun! Please check the calendar and make note of activities that sound like you'd be interested in!

The office has a new ONE CALL system. We worked hard to make sure everyone's names & numbers got transferred correctly, but in the event you are no longer receiving the one calls PLEASE call or come by the office and we will correct that. Also, some of you are say you don't get the very beginning of the message. We will try harder to make sure that doesn't happen, but if it should continue you can call 405-548-2254 and the message will repeat itself.

CHERRY CHEESECAKE DIP

For the guys!

Joyce Peck

8 oz. softened cream cheese
3.75 oz. (½ jar) marshmallow cream

8 oz. thawed Cool Whip
2 cup cherry pie filling

Whip together cream cheese and marshmallow cream until blended. Add Cool Whip and mix to combine. Spread into a dish and top with pie filling. Serve with graham crackers for dipping.

FROM THE PALM BAY COLONY COOKBOOK

CHOCOLATE LASAGNA

Cheryl Kisiel

1 pkg. Oreo cookies, not double stuffed, about 36
6 T. butter, melted
1 (8 oz) pkg. cream cheese, softened
¼ c. granulated sugar

2 T. cold milk
1 (12 oz.) Cool whip
2 (3.9 oz.) pkg. chocolate instant pudding
¾ c. cold milk
1½ c. mini chocolate chips

1. Begin by crushing 36 Oreo cookies until they are fine crumbs (either put in food processor or put in plastic bag and crush with rolling pin).
2. Transfer cookie crumbs to a large bowl. Stir in 6 T. of melted butter and use a fork to incorporate butter into cookie crumbs. When butter is distributed, transfer mixture to a 9 x 13 baking dish. Press the crumbs into the bottom of the pan. Place in refrigerator while you work on additional layers.
3. Mix cream cheese with a mixer until light and fluffy. Add in 2 T. of milk, and sugar and mix well. Stir in 1 ¼ c. Cool Whip. Spread this mixture over the crust.
4. In bowl, combine chocolate instant pudding with ¾ c. cold milk, Whisk for 2-3 minutes until pudding starts to thicken. Use a spatula to spread the mixture over the cream cheese layer. Allow to set for about 5 minutes so pudding can firm up.
5. Spread the remaining Cool Whip over the top. Sprinkle with chocolate chips evenly over the top. Place in refrigerator for 4 hours before serving.

IT COULD HAPPEN TO ANYONE.....

An elderly woman did her shopping and, upon returning to her car, found four males in the act of leaving with her vehicle. She dropped her shopping bags, drew her handgun, and proceeded to scream at them at the top of her voice, "I have a gun and I know how to use it! Get out of the car, you scumbags!"

The four men didn't wait for a second invitation but got out and ran like mad. The woman, somewhat shaken, proceeded to load her shopping bags in the back of the car and get into the driver's seat. She was so shaken that she could not get her key into the ignition. She tried and tried, to no avail.

And then it dawned on her why. A few minutes later, she found her own car parked four or five spaces farther down. She loaded her bags into her car and drove to the police station.

The sergeant, to whom she told the story, nearly tore himself in two with laughter and pointed to the other end of the counter, where four pale males were reporting a carjacking by a mad elderly woman described as white, less than five feet tall, glasses, curly white hair, and carrying a large handgun.

No charges were filed.

Wednesday June 3rd...you are invited to come and show off your skills with a watering can! Gathering at the clubhouse @ 10am we will then spread out and water the beautiful landscaping in the common areas!...

This is a bring your own watering cans event...if you don't have one—NOT A PROBLEM....we'll figure something out. Come and help....

many hands makes light work.

Offer whatever light you can.

What we know fondly as the “Stars and Stripes” was adopted by the Continental Congress as the official American flag on **June 14, 1777**, during the Revolutionary War. Colonial troops fought under many different flags with various symbols—rattlesnakes, pine trees, and eagles—and slogans—”Don’t Tread on Me,” “Liberty or Death,” and “Conquer or Die,” to name a few.

Who Made the First American Flag?

The origins of the Stars and Stripes have become part of American folklore. Although many people believe that Betsy Ross designed and sewed the first flag, there is no true proof of this.

However, records do indicate that Betsy Ross most definitely made ensigns and pennants for the Philadelphia Navy during the war, and she certainly inspired the design of the current flag.

Based on colonial folklore, it has also been stated that the American flag was first flown in battle during the Revolutionary War at the Battle of Cooch’s Bridge in 1777. This may also be the stuff of legend.

Interestingly, the current American flag was designed by a high school student from Lancaster, Ohio, named Bob G. Heft! Even though Bob’s history teacher gave him a “B-” for not knowing how many states the Union had, Bob submitted his design to the White House (unprompted) in anticipation of Hawaii and Alaska joining the Union. To his surprise, President Eisenhower called him! Today, it’s Bob Heft’s 1958 design—showing 50 stars in a field that included five rows of six stars and four rows of five stars—which is now our 50-star American flag (and history teacher changed his grade to an “A”!).

THIS MONTH IN AMERICAN HISTORY

June 5, 1968 - Robert F. Kennedy was shot and mortally wounded while leaving the Hotel Ambassador in Los Angeles. The shooting occurred after a celebration of Kennedy's victory in the California presidential primary.

June 6, 1872 - Pioneering feminist Susan B. Anthony was fined for voting in a presidential election at Rochester, New York. After voting rights had been granted to African American males by the 15th Amendment, she attempted to extend the same rights to women.

June 6, 1944 - D-Day, the largest amphibious landing in history, began in the early-morning hours as Allied forces landed in Normandy on the northern coast of France. Operation Overlord took months of planning and involved 1,527,000 soldiers in 47 Allied divisions along with 4,400 ships and landing craft, and 11,000 aircraft. By the end of the day 150,000 Allied soldiers and their accompanying vehicles had landed with 15,000 killed and wounded.

June 13, 1971 - The New York Times began publishing the Pentagon Papers, a collection of top secret documents exposing U.S. strategy in the Vietnam War.

June 13, 1966 - The U.S. Supreme Court ruled (5-4) in the case of *Miranda v. Arizona* that an accused person must be apprised of certain rights before police questioning including the right to remain silent, the right to know that anything said can be used against the individual in court, and the right to have a defense attorney present during interrogation.

June 14, 1775 - The first U.S. Military service, the Continental Army consisting of six companies of riflemen, was established by the Second Continental Congress.

June 14, 1777 - John Adams introduced a resolution before Congress mandating a United States flag, stating, "...that the flag of the thirteen United States shall be thirteen stripes, alternate red and white; that the union be thirteen stars, white on a blue field, representing a new constellation." This anniversary is celebrated each year in the U.S. as Flag Day.

June 17, 1972 - Following a seemingly routine burglary, five men were arrested at the National Democratic Headquarters in the Watergate complex in Washington, D.C. Subsequent investigations revealed the burglars were actually agents hired by the Committee for the Re-election of President Richard Nixon. A long chain of events then followed in which the president and top aides became involved in an extensive cover-up of this and other White House sanctioned illegal activities, eventually leading to the resignation of President Nixon on August 9, 1974.

June 18, 1812 - After much debate, the U.S. Senate voted 19 to 13 in favor of a declaration of war against Great Britain. The next day, President James Madison officially proclaimed the U.S. to be in a state of war.

June 18, 1983 - Dr. Sally Ride, a 32-year-old physicist and pilot, became the first American woman in space, beginning a six-day mission aboard the space shuttle Challenger.

June 20, 1782 - The U.S. Congress officially adopted the Great Seal of the United States of America.

June 25, 1876 - General George A. Custer, leading 250 men, attacked an encampment of Sioux Indians near Little Bighorn River in Montana. Custer and his men were then attacked by 2000-4000 Indian braves. Only one scout and a single horse survived 'Custer's Last Stand' on the Little Bighorn Battlefield.

June 25, 1950 - The Korean War began as North Korean troops, crossed the 38th parallel and launched a full scale invasion of South Korea. Five days later, U.S. ground forces entered the conflict, which lasted until July 27, 1953, when an armistice was signed, formally dividing the country at the 38th parallel into North and South Korea.

When is the Summer Solstice?

(aka first day of Summer)

The June solstice occurs on **Sunday, June 21, at 4:24 A.M. EDT.**

This solstice marks the official beginning of summer in the Northern Hemisphere, occurring when Earth arrives at the point in its orbit where the North Pole is at its maximum tilt (about 23.5 degrees) toward the Sun, resulting in the longest day and shortest night of the calendar year. (By longest "day," we mean the longest period of sunlight hours.)

On the day of the June solstice, the Northern Hemisphere receives sunlight at the most direct angle of the year.

My friend: "What's on your mind?"

Me: :imagine how loud a centipede would be if it wore tiny flip-flops."
